PRAGUE 2018

October 11-14, 2018
Prague, Czech Republic

Dear colleagues,

I am pleased to inform you that Prague and Czech Group of Veterinary Ophthalmology are very honored to host the European Veterinary Ophthalmology Conference 2018 which will be join event of European Society of Veterinary Ophthalmology and East European Society of Veterinary Ophthalmology.

Main topic for ESVO Meeting Prague 2018 is "Retina and Vitreoretinal Surgery".

In October 11th -14th 2018, Prague will be the meeting point for veterinary ophthalmologists wishing to learn the latest high level information. You can expect a Hereditary Eye Disease session with many challenging slides and interactive explanations of hereditary eye disease and bred predispositions including ECVO Manual News.

You can look forward to hearing the main conference speakers, Joe Wolfer and Adolfo Guandalini. Joe Wolfer, DVM, ACVO diplomate, his main professional interest is retinal surgery, and he is one of only a few veterinary ophthalmologists in North America who provides surgical care for patients with retinal detachment. Adolfo Guandalini, DVM, PhD, ECVO diplomate, is member of HED committee of the ECVO, involved in the gonioscopy subcommittee for the new system. Joe and Adolfo, pioneers in vitreoretinal surgery, will present a scientific view of case selection and vitreoretinal surgery step by step including complications and long term prognosis.

The top-class workshops are prepared for you on Sunday. Don't miss the opportunity to attend updated vitreoretinal surgery course on Eyesi surgical simulator and many more.

A State of the Art Lecture on "Innovations in ophthalmic surgery" will be presented by Pavel Stodulka, MD, Ph.D., chief surgeon from GEMINI, Czech Republic.

News approaches to vitreoretinal **diseases** amongst other topics will be presented in a two and half-day scientific program including oral presentations and a poster session from which the abstracts will be printed in Veterinary Ophthalmology.

During all congress days, sponsors and exhibitors will present to you the most recent innovations in the veterinary ophthalmology market. Cordial social program brings you an unforgettable time right in the historical part of Prague including a gala dinner close to the Prague castle and Charles Bridge. If you feel tired of science, you can enjoy walking through the romantic lanes of the historical center, and try the Czech cuisine and taste the famous Czech beer. Be sure, there are many reasons to come.

Please enjoy the ophthalmology conference, enjoy Prague, and enjoy the hospitality of this country and its friendly people.

See you in Prague
